Total Loan Request	\$500,000

Details on construction project (location, size and type of facility, etc.), assets to be purchased (location, description, etc.), items to be refinanced, uses of working capital, and source of Borrower's injection (equity):

Acquisition of 100% of Refuge Hospice, LLC (TX), Medicare-certified (CCN eff. 1/8/2024) and Medicaid-enrolled, operating as Azalea Hospice & Palliative Care (Tyler, TX). Seller terms per MIPA: \$125,000 down ~8/1/2026 (49%); seller balance paid IN FULL Sept 2026 by an interim bank note (\$500K, 6%, 36-mo, Bullard-relationship TX bank); SBA proceeds REFINANCE the bank note (~\$461,676 payoff) at the 51% transfer 1/15/2027 (42 CFR 424.550(b) date); remainder funds ramp working capital. Injection: J. Bullard \$195,000 (\$100K wired 5/7/2026) + G. Schackmann \$55,000.

How will this loan benefit your company?

Converts short-term seller financing into permanent SBA financing, freeing cash during the census ramp; funds working capital through the Medicare payment lag so the agency reaches ~40 patients/day by month 12; creates ~30 East Texas healthcare jobs by year 2. Projected EBITDA \$299K year 1 / \$696K year 2 (before debt service, Rev 4.10).
